There is also an out building currently used as a play room / games room which could also be used as a home office. There is a good sized driveway providing off road parking for two cars at the front, and access to the rear through a small workshop / potting shed, which takes you to the rear garden and in to a beautiful patio which in turn leads to a lovely greenhouse.

All in all, a wonderful family home that you could just move in to without having to do a thing.

Corsham is a thriving North Wiltshire community, centred around a historic high street with many interesting stone buildings and a variety of shopping facilities, public houses, restaurants and has featured most recently in a few very popular period dramas. Corsham also benefits from having a leisure centre, primary schools including Neston with three more in the town and a secondary school. Elm Hayes is particularly well placed for ease of access to the historic Georgian city of Bath via the A4, approximately 7 miles to the West. There is also a main line rail

service from Chippenham station, which is approximately 4 miles distance, offering a service to London (Paddington) and the M4 motorway which is also close to hand, approximately 3 miles to the north of Chippenham via Junction 17.
