

DESCRIPTION

This four bedroom semi detached family home is an delight and has been very much improved by the current owners.

Through the front door there is a light and spacious entrance hall providing access to a larger sitting room with a bay window and wood burning stove, a second sitting room/snug also with a wood burner, which in turn leads to a fantastic kitchen/dining room with a contemporary style fitted kitchen. The garage has been converted in to a fourth bedroom with a separate showery room and provides an ideal space to keep the utilities away from the kitchen. This could also be used as a separate annex is required.

Upstairs there are three good sized bedrooms, two of which has built in wardrobes and a desirable family bathroom.

There is plenty of off road driveway parking to the front and a fully enclosed rear garden with a wonderful patio, ideal for entertaining in the spring/summer months to come.

All in all a lovely family home which has been cleverly converted and modernised.

Trowbridge is the county town of Wiltshire and has benefitted from significant development over recent years, which is still ongoing. A One Stop convenience store & Studley Green Primary School is within easy walking distance and the Town offers a good range of both primary and secondary schools, excellent shopping, restaurants, and leisure facilities, including a multiplex cinema and sports centre.
